Project Updates

DDSkills 2nd Transnational Project Meeting

On 3rd November, the 2nd Transnational Project Meeting in the framework of the DDSkills project was held online. On this occasion, the project's partners presented the work done and the results achieved during the first ten months of the project, and further discussed the next steps. [Read more.](#)

DDSkills 1st Transnational Project Meeting

On 27 and 28 January, the 1st DDSkills Transnational Project Meeting took place in Athens. The partners had the opportunity to introduce their respective organisations and discuss the project activities, tasks and responsibilities of each partner.

New report on existing practices for new technologies courses in the Health and Social Care Sectors

Six partners from the DDSkills Project have developed a report, aiming to identify the availability, characteristics and demand of courses related to digital skills for the Health and Social Care Sectors in Italy, Greece, Cyprus, Germany, Ireland and Lithuania. This report is the first step in the DDSkills project to amplify Care V.E.T units. [Read more.](#)

DDSkills leaflets

The leaflets to present the DDSkills project and its main objectives are available in English in the project website. [Read more.](#)
