

## 7th Press Release

### STORY CHANGERS: Finalization of the teaching package

#### April 2023

We are excited to inform you that the project Story Changers has completed another deliverable. The teaching package to be used by teachers at the respective training events with pupils was developed. The training package includes the following:

- Introduction to the training, adapted to the needs/age of the pupils
- Ice breakers relevant to the training's aim and team- building exercises
- Discussion on the art of storytelling
- "You tell" stories (printed version)
- "You tell" VR scenarios

Furthermore, the teaching package was translated into the languages of the consortium by MMC, Eurocircle, Aguilera, St Joseph. During the finalization process of the package training sessions took place for facilitating the teachers to use the package which was concluded with the pilot testing of the intellectual output.

At the last stage, the training package was reviewed and finalized based on the evaluation of the teachers who participated in the pilot testing. During the review stage the teachers took into consideration the following:

- Their own experience from running the pilot
- The pupils' experience (recorded in a structured way with the use of questionnaire developed by MMC to be used by teachers)
